Karen's Hope Ataxia Benefit

We are pleased to announce the 8th Annual Karen's Hope Ataxia Benefit! This year's event, scheduled for Monday, June 15, includes a golf tournament, silent auction and dinner.

Ten years ago, Karen Frigstad was diagnosed with Friedreich's ataxia. Early clinical trials are beginning efforts to treat Friedreich's and other ataxias. More research and financial support are needed to find effective treatments and a cure.

Proceeds benefit the **Bob Allison Ataxia Research Center (BAARC)** at the University of Minnesota.

Everyone makes a difference! Here are some ways to get involved:

- Participate in our golf tournament
- Become an official event sponsor
- Donate a silent auction item
- Volunteer at the event
- Make a cash donation

For more information visit www.karens-hope.org or call Todd Frigstad at **651-423-0443**
